Fort Benjamin Harrison Fact Sheet: Defense Finance and Accounting Services

For more information, contact the Fort Harrison Reuse Authority at 317-377-3400 or go to the website at www.fhra.org.

The Department of Finance & Accounting is the United States military's financial headquarters. The Finance Center was constructed from August 1951 to October 1953. The building is 966 feet long and 612 feet wide and cost approximately \$19 million to build. In February 1954 it was estimated that 6,000 civilian and military employees worked at the Finance Center. Today, over 5,000 employees work in various agencies within this 1 million square foot building which is located within easy walking distance from Lawrence Village at the Fort.

The attached document shows spreadsheets showing DFAS employee counts by zip code, their work schedules, education levels, age rates, genders, retirement eligibility and salary. These spreadsheets do not include military of which there are approximately 70. Nor does it include contractors working for an element within the building. Lawrence Township has five zip codes: 46216, 46226, 26236, 46256, and 46250.
